

Francisco Reservoir Community Meeting #4

Date: May 17, 2017

Location: Moscone Recreation Center

Comment Period: 7:00 pm – 7:30 pm

1. Pleased with development of design, been waiting for 50 years to see this happen
2. Where are the viewing terraces located on the plan?
3. Artificial turf is good for soccer but bad for environment – happy that this will not be installed
4. A big “Thank you” for all involved in making this a reality
5. Thoughtful design, please think about monarch butterflies and accessible pathways
6. Historic and cultural aspect should be more prominent, i.e. Chrissy Field Airfield
7. Soccer voices have not been heard. We need a large soccer field
8. Who at RPD can I talk to about the U10 Soccer permitting issue?
9. Maximize footprint of reservoir for soccer field
10. We need full turf, lighting and an athletic field in one of the most densely populated neighborhoods in San Francisco
11. We are blessed to call this Open Space; Keep an open mind i.e. Lafayette Park
12. Make soccer area larger
13. Why not utilize Galileo soccer field?
14. Long commutes to other soccer fields is a key concern
